Meets pool codes in most areas

**Check local codes*

48" High Classic Flat Top 3-Rail

3 rail picket fence

Additional Product Specifications

- **Color:** Stocked in textured black (TBK) which color matches Westbury deck railing, screen enclosures and porch columns.
- **Gates:** Two gate widths (48" and 60") are stocked at Lensing.
- **Double Gates:** Gates can be combined to make double gates. For example, two 60" wide gates create a 10 foot wide opening, big enough for a vehicle.
- **Square Posts:** 2" square posts are embedded for installation and pre-routed for customer choice of end, line and corner.
- **Post Wall Thickness:** 0.060" thick (meets industry standard)
- **Fence Post Hole Depth:** 30" into the soil
- **Surface Mount Posts:** Surface mount posts are available by special order.
